STUDIO

healthscapes

Healthscapes' INTERLUDE is a broad collection of furnishing solutions for healthcare environments. INTERLUDE consists of guest and tandem seating, bariatric chairs, benches and occasional tables. Gracefully sloped wood arms and arched open chair backs add visual interest to INTERLUDE seating.

interlude shown above

- guest chair 1320-15
- round table 1325-30
- 3 seat tandem 1323-00
- 2 seat tandem 1322-00
- cocktail table 1325-70

tandem seating occasional tables

The seven piece INTERLUDE occasional table group is offered in maple and oak with a choice of thirteen standard wood finishes. Custom wood matching is available on all INTERLUDE products for no additional charge and no minimum order requirement.

INTERLUDE guest seating includes a coordinating selection of bariatric chairs that meet industry test standard requirements for bariatric seating. Choose from three bariatric chair widths to fit any requirement.
