STUDIO
designer series

VIBE lounge seating is part of Studio Q Furniture's designer series of select seating and table collections. Designed by Charlie Zagaroli, VIBE is offered in a chair, tablet arm chair, loveseat and sofa, each generously proportioned for seating comfort.

Create an atmosphere of simplicity and style in any interior setting with VIBE.

Clean lines, square arms, tight upholstery and brushed aluminum cylindrical legs define VIBE. An occasional table collection, REVEAL complements VIBE's contemporary appeal.
